Reincarnation of a Demon Master

- What should a fox-faced man with a Kansai dialect do in the harsh world of erogé? What should I do?

Story : Komiyaji Chiji, Illustration: Nanahara Fuyuki

◆Story◆

When I was reincarnated, I found myself in a modern fantasy world of ero-ge

The time is Reiwa, a period in Japan where the "ayakashi" roam the land, and the demons who protect the people are engaged in a battle to the death.

One day, Naoshi, the acting head of the prestigious Kuzumichi family of demons, remembers.

He remembered the peaceful Japan of "Reiwa" and that this world was the setting of "Kazusa the Retreating Demon," a monstrous work of hard eroticism in the style of a modern-day legend, which even created the internet meme.

And then he realized the danger of living in such a world as a stinky, evil man with a fake Kansai dialect and a fox face.

Will Naoshi be able to survive in the harsh world of Ero-ge without falling into the trap of being a traitor or a mere make-believe character?
